1993: Ballantine discontinues sending review books to "Beyond Bree".

February 1994: parody/humor issue. Humor issues are published in February 1995 - 1999.

September 1994: oversize Birthday Issue officially discontinued.

July 1995: Editor gets laser printer. More typeface variation.

October 1996: e-mail addresses added to Roster.

From March 1990 to June 1995 the copy for "Beyond Bree" was printed on a dot matrix printer. In July'95 the Editor got a laser printer, followed by much experimentation with typeface. Issues prior to 1996 are reprints. Issues from mid 1996 to 1999 are a mixture of reprints and originals, issues from 1999 onwards are predominately originals. The quality varies: xerox reproduction of the 1990s was not as good as xerox reproduction today.
